MOTHER, SPEAKER, & PEDIATRIC RDH

An Chih "Angela" Do, RDH, MEd, MAADH, is a dynamic speaker that brings impactful and resourceful information to clinicians. An Chih's background in film and television allows her creativity to expand beyond the operatory and into her presentations. As an immigrant and first-generation student, An Chih knows the impact that education can make. This awareness drives her to empower dental professionals with the tools they need to better care for their patients. Whether An Chih provides resources for dental professionals to combat human trafficking or educates them on appropriate language to use with pediatric patients, she always delivers an informative but captivating program.

An Chih's acclaim has awarded her numerous national honors and awards. A born leader and entrepreneur, An Chih has expanded her reach by co-founding Dental Hygiene Spark LLC, a social media platform dedicated to empowering dental hygienists and Spark Study Club. She also founded a social media community, Asian American RDH, to support and connect Asian American dental hygienists.

The Pediatric RDH is not just a speaker, mother, and operations manager. She holds leadership roles in the American Dental Hygienists' Association. She is the Immediate Past President of the Greater Houston Dental Hygienists' Association and Speaker of the House for the Texas Dental Hygienists' Association. She has also served as a District IX delegate and was appointed to ADHA's 2021-2022 IDEA committee. The do-all-things dental hygienist is a mother of two young boys and a wife.
